

# Winter 2012 Booklist

## PRICE MATCH GUARANTEE

*The Northwest Community College Bookstore will match advertised prices from Canadian, new book websites.*

Just bring in a printed advertisement from any Canadian bookstore website showing the same textbook for a lower advertised price and we will match it. Be sure to include the following information:

- The ISBN (10 or 13 digit number near barcode) must match
- The website must be Canadian and must be for New Books only. Used book prices will not be accepted.
- Price must be in Canadian dollars
- Item must show as being “in-stock” or available to purchase. We will not match prices on out-of-stock books
- The printed advertisement must be less than 7 days old

## WHY ARE THERE NO PRICES ON THIS LIST?

The bookstores are not able to confirm prices until the books arrive in our stores. This preliminary list provides you with the ISBN (International Standard Book Number) and the titles for each class. As the books arrive, we will update the prices on these lists.

## QUESTIONS?
